Cir/2021-22

**Classes: Class LKG to IX**

Date: 14-09-2021

Dear parents,

Greetings from Sanghamitra School. Thank you for the excellent participation in the PTM week. We were glad to interact with all of you and your feedback is very valuable to continue with positive learning. We also appreciate each one of you sharing your issues and seeking solution. This kind of partnership is valuable and encourages us in our school journey. "Thank you" for your continued support.

### **Participation in PTM**

Class	LKG	UKG	I	II	III	IV	V	VI	VII	VIII	IX
%	82.5	77.5	84	81	76.79	86.79	80.59	78.17	91.8	87.15	93.65

*PTM turnout of the school is: 83.63%*

### **Current happenings:**

- Music Fest was conducted on the occasion of 75<sup>th</sup> Independence Day
- Independence Day was celebrated with student council and Teachers March Past
- Bratathi Ghosh school topper 2020-21 hoisted the flag on Independence Day
- Nutrition week was observed for all the classes from September 1 to 7<sup>th</sup>.
- Janmashtami, Teachers Day and Vinayaka chavithi were celebrated online.
- Consent forms were issued to all the parents during the PTM.  
Total strength - 1814 Yes 452 Only 27% agreed
- **Physical classes will start very soon for class IX & X.**

### **Upcoming Events**

**PTM --Please find enclosed the Quality Quadrant. 2021-2022**

CLASS-I to VIII

Assessment—Periodic test – II

August - 2021

**KUDOS**

- Thank You for your constant support, motivating and inspiring students.
- Appreciate the patience of the teachers.
- Activities are very interesting
- Commendable effort by teachers to include all the students .
- Thank you for encouraging students and promoting their speaking skills

**Concerns**

- Too many exams in just 3 months of school
- Use the hand raising icon to record student's responses, as the responses in the chat box may confuse the students
- Working parents find it challenging to get students to complete all the activities.
- Too much of screen time, include more offline activities.
- Request to keep class recordings in Octa
- Request Hindi lessons to be read in class and meanings explained rather than explaining the gist and playing the video
- Request for more practice classes in Mathematics.

**Suggestions**

- Individual attention must be given to students
- Please reduce the number of students in the online classes.
- Please check CW randomly and have more speaking activities.
- Spend more time assessing classwork and activities so that students take it seriously.

**Questions**

- When will the schools reopen?

**Concerns:**

- Tests are conducted after the completion of each lesson. They are held to give teachers a feedback on students understanding. It also helps students to be thorough with their concepts.
- Recordings are available on the Radius Edutech platform after school hours. Recordings will not be available during school hours, special classes or tests
- Activities are explained and suitable material is given to the students to complete activities on their own. Students can take help of the teachers. Please contact the teacher and send the student to school.
- Listening and speaking activities are conducted to help the child gain fluency in Language
- Remedial worksheets and concept related worksheets are being given to the students in all the subjects, to address misconceptions and clarify doubts.

**Suggestions:**

- Teachers are assessing student's classwork online, randomly, WhatsApp postings and in school during PTM.
- Marks are allotted to the CW, HW, Subject enrichment activity. This is done to make students accountable.
- Students are encouraged and opportunities provided to share their ideas and views. Please encourage and enable students with good wifi, camera, to speak up in online class.
- A number of events are conducted in school and links and information is shared in the classroom. Encourage students to participate so that they learn people skills and become confident.

**Questions:**

- Consent forms have been issued and received from the parents. Only 27% are willing to send their children to school. Majority of the parents are willing to send their children only after they are vaccinated.

**Students of class IX and X will be attending classes in school. Dates will be intimated soon.**

We extend our whole hearted appreciation and thank all the parents for collaborating with us and cooperating to enable our children's learning.

Let us all follow the safety guidelines and keep ourselves and our families healthy and safe.

Thanking You

PRINCIPAL
