PTM Quadrant

<p>Concerns</p> <p>Class 1 to V</p> <ul style="list-style-type: none"> • Require emphasis on Phonics and writing of alphabets in English and Hindi. • Emphasize on techniques to use tables • Pace of teaching in Hindi, Math's Social studies can be faster. • Please explain Hindi using English translations. • Life Skills class can be more lively and interactive. • Ensure that CW and HW are checked in the class. <p>Class VI –X</p> <ul style="list-style-type: none"> • Some Recordings are not visible. • Please ensure that worksheets on important topics are given • We have noticed that students are playing more on the mobiles. • Will the lessons be revised before exams? 	<p>Suggestions</p> <ul style="list-style-type: none"> • Give class timetable and H.W time table in advance. • Increase the class hours, and tests in all subjects. • Please conduct Physical Education classes in the last period. • Disable chat facilities during teaching time. • Exam duration must be fixed as per the class. • Special classes can be conducted on Saturday for students to clear doubts and reinforce concepts. • Reduce virtual class room strength from 80. • Conduct random checks to keep students alert.
<p>Questions</p> <ul style="list-style-type: none"> • Why only one subject of H.W in one day? • How will the syllabus be completed? • When will regular classes begin? • Can uploading of primary class H. Ws be done in one step? (Class III) 	<p>Kudos</p> <ul style="list-style-type: none"> • Special thanks and appreciation to madam and management. • Concepts are very clearly explained. Good effort. • Teachers are dealing with children patiently. • Concerns are addressed immediately. • We are sharing celebrations of festivals and classes with neighbors. • Congratulations on completing 30 years. The video was excellent and very impressive 30 years' video was excellent and congratulations, very impressive. • Higher classes V to X became independent in doing their H.Ws.

Concerns

- Techniques to remember tables and concepts are being shared in class.
- Phonics are taught with letter sounds in LKG and UKG. From Class 1 onwards the words are taught with the help of syllables.
- As per CBSE guidelines 30% of the syllabus is reduced for the present academic year only. The concepts will be taught to the students as they are important for higher classes. The deducted lessons will not be assessed in the exams.
- Revision of lessons and worksheets for half yearly and annual exams will be done.
- Teachers follow a slow pace while teaching. Encourage students to ask questions and clear their doubts during class only.
- Syllabus is equally distributed between half yearly and annually.
- Life skills and extra-curricular classes will be interactive
- Class Work and Home work will be assessed for Internal Assessments.
- Periodic Tests are designed differently every time to assess the child in all areas.
- Parents are requested to monitor the student's usage in electronic devices. Lock the apps if child plays games.

Questions

- As per CBSE guidelines HW is given for one subject only so that students have time to revise all the subjects covered that day.
- Regular classes for IX and X will be scheduled as per the guidelines of Telangana State Government and CBSE.
- Teacher can assess Home Work only after all the students upload. Please see that HW/CW is uploaded as per the time given.
- CW is given in the 1st period and HW is given as per the time table.

Suggestions

- Physical Education Teacher will check with the students when suggesting exercises, and wherever possible will be held in the last period.
- Private chat is being disabled by the teacher, and is enabled only when required.
- Periodic Tests will be designed as per the class level and assessment level will be increased gradually.
- All subject Teachers will attend to doubts after every class. Encourage the child to speak and clear his/her doubts.
- As per the government orders special classes cannot be conducted.
- Random checks by Mam, and in- charges is being done regularly to keep students alert.

Kudos

Thank you for your continuous support and cooperation. Let us work together to enable our children's learning.
