Cir/2020-21/November

Classes: LKG to IX

Date: 01/11/2020

Keep Learning

Embrace New Experiences, Seek Opportunities, Surprise Yourself.

Dear parents,

Greetings from Sanghamitra School. "Thank you" for your continued support, feedback and participation in the successful conduct of the virtual classes. As we are adapting to the virtual classes, children are now participating actively. All efforts are being made to ensure that quality learning takes place. Your suggestions and support keeps us going. As we have successfully completed Periodic Test -3 it is time to share with you the overall feedback.

Participation in Telephonic PTM Turn Out

Class	LKG	UKG	I	II	III	IV	V	VI	VII	VIII	IX
%	97.5%	100%	96.8%	100%	96.3%	99.3%	98.1%	100%	100%	100%	100%

PTM turnout of the school is 98%.

Assessment:

- Oral activities were conducted for LKG & UKG.
- Assignment-3 was conducted for classes I and II.
- Periodic Test- III was conducted for classes III to IX virtually from 16th to 22 October.
- Class X students are appearing for their Cyclic Test virtually under the Teachers invigilation.
- Class IX and X students verified their Class Works, Home Works and submitted their projects physically in school. All the safety measures were observed.

PTM

Telephonic PTM was also held with parents by the respective class teachers. All the valuable suggestions are being incorporated.

Please find enclosed the Quality Quadrant.

KUDOS

- Blessed to be studying in this school.
- Excellent teaching efforts with different activities and props/aids.
- Initially it was difficult to get children to attend online classes. They are eager now to participate in the classes.
- V. Good question papers with examples (Primary-Examples really help children in approaching)
- Happy with the question papers.
- Periodic Test are planned well - MCQ 's and timing.
- PT3 practice sheets are very good.
- Tremendous support by teachers and management.
- Whatever the situation is SANGHAMITRA is going smoothly.
- Appreciated the way the exams were conducted without putting any pressure on the child.
- Thanks to mam and teachers for the great effort.
- Doubts are clarified immediately.
- No technical issues during PT -3
- Class 9 – We see a lot of learning in the students and they are less distracted.
- Class 9 -Excellent idea of calling children to school to check their books. It had great impact on children. They are now updating work on daily basis.

Concerns

- Getting students to read and write is becoming very challenging.
- Incorporate more oral based activities
- Hindi and Telugu new concepts are challenging. Children need support.
- Mathematical concepts are confusing
- Class duration must be increased.
- As some students are shy, they need to be motivated and encouraged to speak up.
- Are parents typing in the chat box because we are unable to understand how students are typing without errors.
- Unable to access the recordings.
- Analytical questions are taking time to be understood. Please give sufficient time.
- Requesting to keep the childs webcam on throughout the class.
- Recordings are being posted very late.
- Children are not serious about updating their classwork or homework.
- Children are spending more time with gadgets.
- Children are avoiding, reading the text book and are lazy to prepare for exams.
- Children are using public chat unnecessarily when the teaching is going on.
- Teachers have to follow a slow pace in teaching
- Net connection is good still we have technical issues. The connectivity issues are at server level not with internet.
- (Class 9) Classes can be conducted in the morning hours

Questions

- When will schools re-open?
- As classes are only for 1 to 2 ½ hours is there any reduction in school fees
- When will half yearly exams start?
- Will the school open for lower classes this year?
- Can the children visit school?
- When are the admissions for next academic year for sibling?
- Can Homework be sent as a message daily?
- How can we submit Half Yearly Papers if we are out of town?
- How do we know the child's performance?
- Can DA be conducted?
- Exercises must be included in PET classes instead of teaching games rules.
- Will students write half yearly exams in the school?

Suggestions

- Want more activities where the child can share their learning.
- Is it possible to check HW separately during class?
- Is it possible to take classes section wise?
- Primary classes Story telling can be little slow.
- Extend the class timings and give more homework.
- Please have surprise check for class work and Textbook updates during online class.
- Teacher is requested to revise and repeat the English phonics
- Please conduct spelling test, reading activities everyday
- Teachers can use bigger boards to be clear.
- To make students active in class call them and ask questions.
- Give some inputs for new and difficult words for effective learning and retention.
- Request a one-one interaction with kids by all teachers about general things around us for full session without teaching. (twice in a month)
- Allow the students to share webcam continuously to monitor their presence
- Give a break between periods and one class to other as siblings using same device missing the beginning class due to delay in the sibling's class.

Concerns :

- Ensure that students are motivated and a balance is maintained between study and play. Set small goals which can be achieved daily. A patient approach is a must to ensure that students develop interest in reading and writing.
- Difficult concepts in Science, Math, Languages will be revised in regular classes. To overcome the difficulty practise sheets will be posted in School App and Website.
- We will ensure that the teachers will pace their speech in class to enable understanding for all the students.
- Students HW and CW is checked virtually by the teachers roll no wise. If situation permits, we will ask for physical submission of books.
- As time permits we will ensure that web cams are switched on to monitor the children to the best of our ability.
- All concerns regarding technology are being shared with our partner Radius Octa to ensure a smooth conduct of virtual classes.

Questions :

- Schools will be reopened based on the instructions specified by the Telangana State Government. Parents and students will receive all the communications.
- As per the norms laid down by the State Government there has been no increase in the school fees. Tuition fees is being collected monthly and has to be paid in full. No concession will be given.
- Doctors and Psychologist have specified that the attention of the students is limited to their age and class. Hence class timings have been scheduled as per CBSE and State Government instructions.
- Half Yearly exams will commence from 23rd to 27th November.
- Depending upon the situation a decision will be taken regarding the submission of Half yearly answer scripts.
- School will not reopen for the Primary classes until and unless the vaccine is available.
- Homework cannot be sent as a message because the students have to develop the habit of writing it down in their Almanac.
- Registrations for admission into LKG and Class 1 for the academic year 2021-22 have been completed. Received around 5000 applications.
- The periodic tests conducted so far is a diagnostic test for the teachers to check if the students have understood the concepts. The results of Half yearly exams will be shared with the parents.
- Educational Initiatives have suspended the DA services hence no DA exam can be conducted.

Suggestions:

- Teachers will be incorporating more activities in the class.
- All suggestions regarding class work, homework and virtual classes are being taken into consideration and will be implemented at the earliest.

We extend our whole hearted appreciation and thank all the parents for collaborating with us and cooperating to enable our children's learning.

Let us all follow the safety guidelines and keep ourselves and our families healthy and safe.

Thanking You

Principal
