Concerns

- The Science and Social text books are chosen instead of NCERT because the current book content is designed and revised according to the changing paradigms.
- Since the books are in booklet form it is reducing bag weight.
- We will try to adjust and increase the Physical Education periods. Currently classes I to VIII have 3 periods per week.
- Next year we will try to fix the Annual Examination time table in alternate days.

Suggestions

- To avoid the bag weight and extra expenditure the G.K and Computer text books are discontinued for classes II to VIII.
- The Teachers refer different books and prepare curriculum. covering all aspects.

Questions

- The names of the children in the classes LKG to X in each section are segregated in alphabetical order.
