**Before anything else, Preparation is key to SUCCESS.**

Dear Parent,

COVID 19 has changed the way of education this academic year. Students and teachers have put in their best to overcome all the challenges in order to learn.

As we get ready to write the III PF, we have analysed the students performance in the exams conducted so far.

To enable better learning and a stress free approach for the upcoming board exams, students have been allotted into smaller groups. Clarification and revision of concepts will be more productive in smaller groups. This grouping is applicable to offline or online classes till the board exams.

Please ensure that you follow the guidelines:

- Online classes continue from 1<sup>st</sup> March to 9<sup>th</sup> March as usual.
- Offline class commences from 10<sup>th</sup> March according to following groups.
- Wear a mask, carry your own sanitizer and water bottle.
- Please ensure that you follow social distancing.
- Carry all subjects text books, five rough note books and stationery.
- **Timings: Morning session: 9:30 to 12:45 pm.**
- **Class room : X- A**
