STUDENT COUNCIL 2017-18

Great leaders don't set out to be a leader.....they set out to make a difference. It's never about the role-always about the goal.

The school commences the scholastic year with pomp and aura of the Investiture Ceremony of the Student's Council and it is one of the most important events in our school. It is here that we entrust faith and hope in our newly appointed school council which represents the interests of students at the school. The Students Council induction is a memorable day for all the office bearers and also a proud moment to stand as leaders before their fellow mates.

This year the criterion of selection is based on the following aspects:

- Outstanding performance in academics
- 100% attendance
- Consistently high standard of behaviour
- Participation in a variety of school activities, programs and events
- Ability to lead peers

We are pleased to congratulate the following newly elected school council.
