Dear Parent,

Thank you very much for making an effort to attend Parent Teacher Meeting and discuss your child's progress. Hopefully you received some information to help them. Hopefully you all will go through the question and answer scripts thoroughly to guide the children effectively.

We have an aspiration for all our children that throughout their school journey they will fulfill their academic potential and become successful lifelong learners.

### Concerns

- We ensure for improvement in C.W correction and focus on spellings.
- Few children who stay back for remedial class belong to different localities, hence it is not possible to arrange transport, kindly excuse us.
- To accommodate and adjust for Butterfly fields activities, Detailed Assessment, Traffic Awareness programme, Health Check up Programme, celebrations, Field trips, Periodic Tests and Competitions the children not only miss co-curricular periods but also curricular periods. Moreover 3 periods are allotted for the games this academic year.

### Suggestions

- The question paper is attached to the answer sheet as it helps to refer and clarify the doubts during PTM and keep it safely until annual examination.

### Questions

- Annual (year end) examination is scheduled for the month of April 2017 and completes before 15<sup>th</sup> of April for classes LKG to VIII.
- Leaving the subject enrichment activity lessons, the remaining content is included for annual examination for classes VI to VIII only. For classes I to V, Term-II syllabus is included for annual examination.
- It is not possible as we have to adhere to the new pattern of examination set by the board.

### Upcoming Events

- Children Film Festival – 14<sup>th</sup> November to 19<sup>th</sup> November.
- Periodic Test – IV – 27<sup>th</sup> to 1<sup>st</sup> December 2017.

Warm Wishes
