Well being out of Waste (WOW)

REUSE
REDUCE
RECYCLE

Make sure waste doesn't go waste.

Dear Parents,

"The greatest threat to our planet is the belief that someone else will save it."

Let that someone else be our own children. To make the child aware of solid waste management the school has been encouraging the students to deposit the dry waste in an appropriate way on 27th of every month.

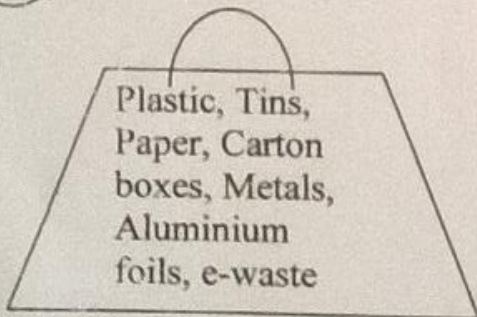

A bag will be given to the child if he/she brings the parent's consent for collecting and depositing the waste at the school premises.

WHY WOW?

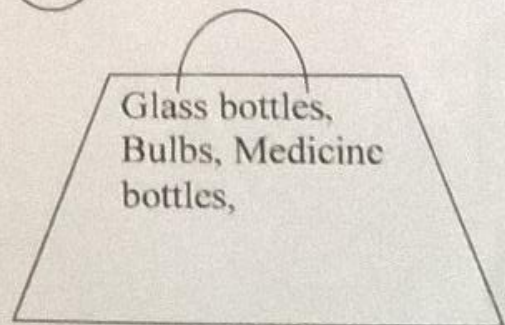

- Saves environmental conditions and reduces pollution.
- Conserves resources for our children's future.
- To imbibe among people the essence of environmental values and ethics and live in harmony with nature of God's gift.
- To develop the sense of commitment among people to protect the environment.

Do bring in your bag.

Do not bring in your bag.

Do Remember:

- If 27th of the month happens to be a holiday, kindly deposit the WOW bag on the next working day.

D.Nageswara Rao
Principal

✕

- I accept my child to be a member of WOW programme.
