

# Anti-Bullying Week

3<sup>rd</sup> to 8<sup>th</sup> October 2018

Roda Mistry College of Social Work students created awareness in the assembly on “Bullying” and various types of bullying and the need for all of us to stand against it. Bullying is a punishable offence and we all need to be careful not to indulge in it. It is important that any or if anyone is being bullied, please report or try to stop it. There is a need to be tolerant and accept each one of us the way we are.
