

CBSE Regional Science Exhibition on 25th & 26th November

Our school CBSE participated by presenting 2 projects.

- 1. GROW IT in Agricultural practices and sustainable development.**
- 2. Soundless Honk – Health and Cleanliness in CBSE Regional Science Exhibition. It was held on November 25th & 26th where 103 schools participated by presenting 108 exhibits. They were 7 sub teams.**

Our students Haasit, Vaibhav, Tejendra and Kuladeep of class 9 presented the 2 projects. The students received participation certificates from Arundathi Mam.

Very good students, we are looking forward for more such projects in the coming year.
