

CCMB

YOUNG INNOVATOR'S PROGRAM

CSIR center for cellular and molecular Biology.

**Congratulations Amogha Tejas of class 9
for being selected from 250 students of 125 schools
in Hyderabad. Amogha cleared the screening test
held on 26th December at CCMB.**

**Amogha will be attending a 2 week program
starting from 31st December to 14th January. This
workshop will provide an opportunity to interact
with scientists and gain first hand experience of
research work.**

Keep it up Amogha!!!
