

ENVIRONMENTAL EDUCATION

Sukuki Exnora organized the Teachers' Orientation Programme on the 24th of July, 2015, to discuss about the various issues related to Environment on the theme Sustainable Consumption and Production which included the activities taken up by the State and the Central government. This programme was a prelude to the ENVI QUIZ, 2015, that was conducted on the 12th of September, 2015. Followed by a basic test, 20 teams from class VI to X participated in the Preliminary Round which was conducted in the school premises on the 22nd of August, 2015. One team from each category of Sub Juniors, Juniors and Seniors were selected for the Finals conducted at Sanjeevaiya Park, Hyderabad.

Adithya and Shraman from class VI won the third prize in this event.

Congratulations!
