

KRISHNASHTAMI CELEBRATIONS

Students from class LKG to X had great fun celebrating the Shri Krishna Janmashtami at school on 24th August, 2016. All the little ones had come dressed in colourful, traditional attire. The cultural event saw the students from various classes presenting a dance ballet or a song. The colourful attires adorned by the children made each child more beautiful. The children carried on nimbly and beautifully with their dance steps even though they were heavily dressed. Class X especially had a more enjoyable time participating in the pot breaking ceremony, symbolizing the *Makhan Chor*. The Cat Walk done by the class I students was the most entertaining.
