## PTM CLASS: VII & VIII

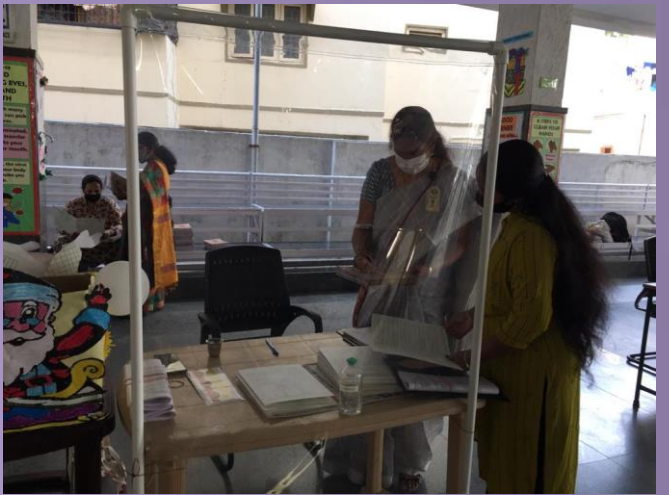

Dear parents,

**Class VII & VIII Sincere thanks to all the parents.**

**With more and more of our daily communication taking place digitally rather than face to face, today's PTM gave us a chance to know more specifics about children. We are really happy and satisfied to meet you all. Two way communication has great value for proper development of a child. Thanks a lot to all the parents for supporting us as you always do.**

**Thank you for your participation in the meeting. It was wonderful meeting and interacting with all of you parents and children. The PTM percentage of class VII - 91.1% & class VIII - 88.12% We look forward to your continued support in all the school activities.**
