

SANGHAMITRA SCHOOL

Celebration of Reading Week

from 8th to 14th September 2020.

To commemorate International Literacy Day which falls on 8th September. Reading week was observed from 8th to 14th September for classes LKG to Xth. Reading is an important activity that stimulates the mind and helps to keep it focussed. Students Parents and Teachers all came together to promote reading skills by participating in various activities.

Students participated actively in Book review, shared their favourite books and the plot and why it appeals to them. They presented them in story boards, graphical organisers and made reading an interesting activity. Students also read and narrated stories to their friends. Senior students shared why they consider books as their all-time companions, and reviewed some all-time classics with their class. Primary students reviewed the stories and shared it creatively. They learnt to draw a story board and understood how to visually represent the story. Newspaper reading was also promoted where students with the help of their parents reviewed editorials and shared the contents with the class.

LET'S READ[®]

anywhere, anytime

Students were introduced to important personalities by reading about them and listening to their stories. They were greatly inspired by them. The Read – a –thon activity motivated the students to practice reading and become fluent readers. Students were vying with one another to become the fastest readers.

Reading Buddies was an instant success which brought the family together, Mummy, Daddy, Grandparents all came in as buddies and students enjoyed reading together. Thank you parents and students for the wonderful videos.

The Reading Week set out to achieve more than what was hoped. It got the family involved, they all started reading together, students rekindled their interest in reading and we hope that this will continue. Reading was also integrated with Arts , where students presented creatively the summaries of the story displaying artistic skills using crayons ,paints and brushes.

The week was an exciting one with every child. parent and teacher involved. Thank you dear parents for your support and motivating and encouraging children towards reading. This is one skill that is important in any and every field. Happy reading and may the tribe of readers grow day by day.
