

SANGHMITRA SCHOOL

Happy Sankranti

Wishing dear children parents and

grandparents a very happy Sankranti

Students were busy with Periodic Test 4

and Assignments, and as they completed

their exams and rushed to their

virtual classrooms they were in for a treat.

It was time for virtual celebrations.

They saw audio visual presentations, played games,

sang songs and enjoyed the company of one another. .

Teachers made the celebrations enjoyable and informative.

Students saw power point presentations on the traditions and

customs related to this festival. Decorated boards and colourful

props were the highlight of the virtual classroom. Students learnt

the importance of being kind and the importance of respecting

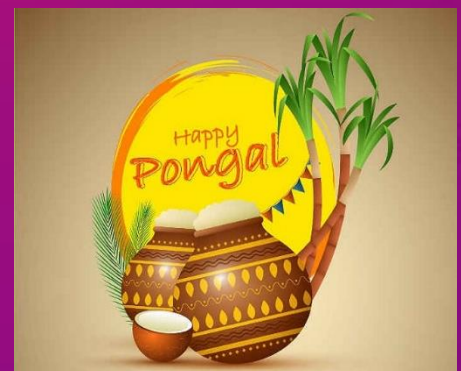

and valuing Mother Earth and its bounty. They learnt about the

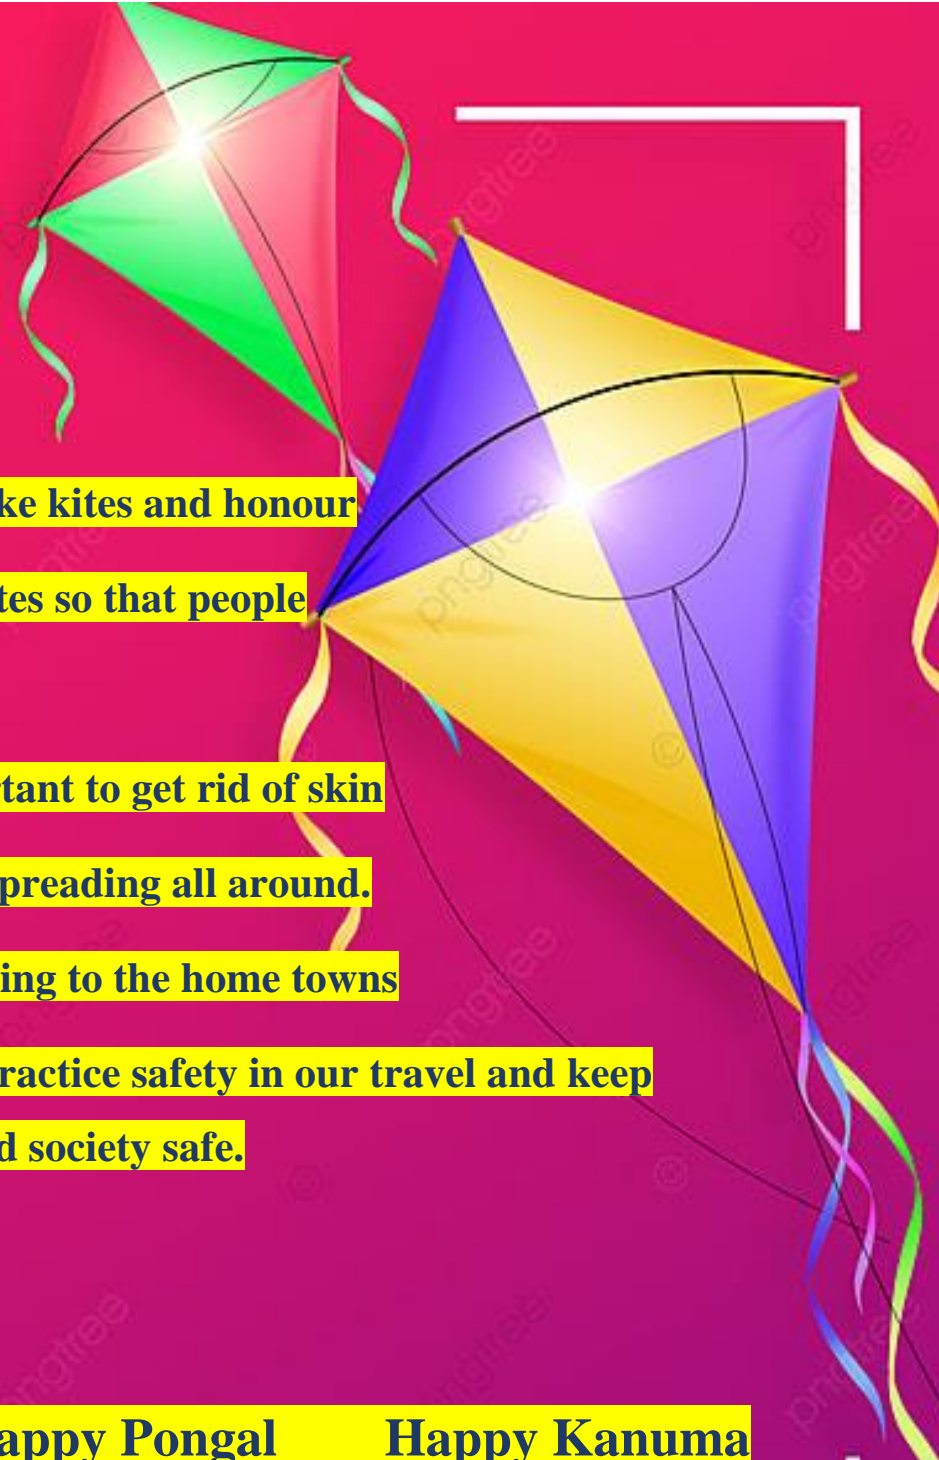

transition of seasons marking the termination of the winter season

and the beginning of the new harvest season. This festival is

dedicated to the Sun god.

MAKAR
SANKRANTI

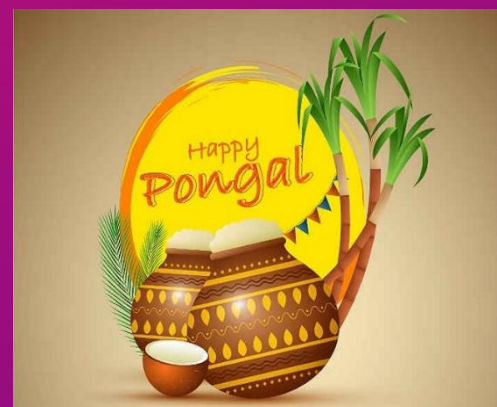

They also learned to make kites and honour the tradition of flying kites so that people are exposed to sun rays.

Sun rays are very important to get rid of skin infections and illnesses spreading all around.

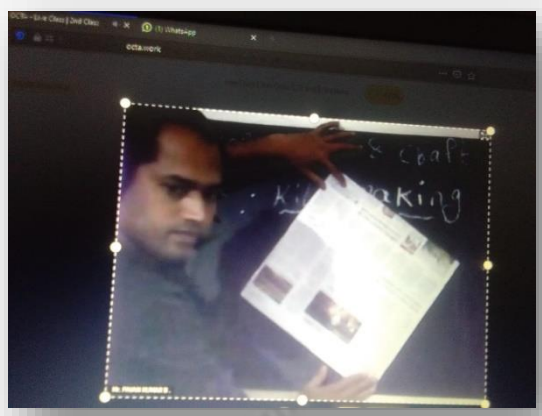

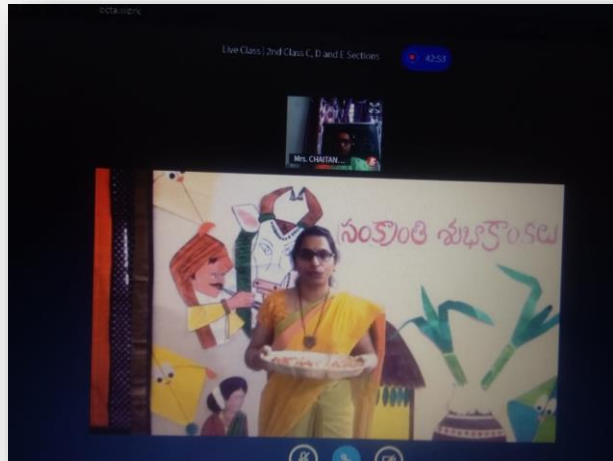

As most of us are travelling to the home towns it is important that we practice safety in our travel and keep ourselves, our family and society safe.
