

Disinfection & Sanitization

Welcoming Grade IX Students from 4th Feb and 10th grade from 8th Feb to write their pre final exams from school.

To ensure the safety of students and teachers, disinfecting and sanitization of classrooms, open corridors is being done regularly.

All the precautions and safety guidelines keeping in mind the Covid protocol are being strictly followed in school. Requesting everyone to ensure that all of us also follow the safety guidelines. Wear mask, maintain social distancing, and carrying our own stationery will ensure that all of us will be safe.

Welcome back to school. We are eagerly looking forward to see all of you.
