

# IMPACT DAY - 2015

**More than 30 delegates from Deloitte volunteered to inspire the students on the IMPACT DAY observed on the 27<sup>th</sup> of November, 2015 at Sanghamitra School. Leaving their laptops and conference calls the delegates came forward to make a difference in the community and share their knowledge and expertise. The Team Deloitte involved the students from class VI to VIII in various activities like presenting a case study and eliciting the students' response, painting competition, educational games etc in the daylong programme. The students came up with equal zeal in all their presentations.**
