

**Students of “Sadhana” Institute for the Intellectually Challenged were very happy to accept our contribution of 800 kilos of rice and 250 kilos of dal raised during Daan Utsav Week.**

**“Sadhana” students accepted the contribution in the assembly. They interacted with our students.**

**These students face challenges in speech, neuro motor skills, hyperactivity and life skills. Special educators assess children and plan individualised education program. Only 5% of the children are rehabilitated. Each and every one of us need to be sensitive and show empathy. They require all our support.**
