India International Science Festival (IISF) is a unique science festival started in the year 2015, by the Ministry of Science and Technology and Ministry of Earth Sciences, Govt. of India, in association with Vijnana Bharati (VIBHA). This year, IISF-2020 will be scheduled during Dec. 22-25, 2020. World record attempts have been an integral part of IISF since its inception to encourage science popularization through active public participation. This year too, the virtual edition of IISF-2020 includes Guinness World Records (GWR) activities to attain newer feats albeit on a
