

WORKSHOP ON MAPS, GIS & REMOTE SENSING

The GeoMap Society and Indian National Cartographic Association (INCA) organised an Orientation Programme on Maps, Geographical Information System (GIS) and Remote Sensing for School Teachers as a part of the National GeoMap & INCA Quiz, 2016, on 27th August – Saturday, at the Centre for Economic and Social Studies (CESS), Ameerpet. The GeoMap and INCA, in collaboration with the Survey of India - *the oldest governmental organisation in India established by the East India Company in 1767-* has been conducting the National GeoMap & INCA Quiz for the students at school level for more than 20 years. The event was graced by the Surveyor General of India, Dr Swarna Subba Rao to discuss about promoting the mission of map awareness for the larger good of the country.
