

SANGHAMITRA SCHOOL

Dear parents,

We sincerely appreciate your support with our digital learning plan. Due to the pandemic we had to make changes, compromise and get acquainted with remote learning. We are so proud of our students for their dedication and efforts in completing their school work during such an unusual year.

Thank you parents for your commitment, patience and involvement during the virtual celebrations. We apologize for the inconvenience caused due to technical glitches. Despite these minor hiccups, the learning was seamless.

We would like to end this academic year by saying "Thank You" to all of you. We genuinely value the encouragement and feedback received during our telephonic parent teacher meet. It allowed us to make necessary changes keeping the learning needs of children in mind. We look forward to your support in the future and hope that you and your family have a safe holiday staying home.

“Education is simply the soul of a society as it passes from one generation to another.”

With regards

CLASS VII & VIII teachers & Headmistress
