2016-17/December

Class: LKG to X

Date: 22/12/2016

Dear Parent,

It is a well-known fact that a celebration doesn't need an occasion but an occasion needs to be celebrated. The entire world is gearing up with festivities to meet the up-coming new year. The students of all classes are also waiting eagerly for the day they can let their hair down.(not literally) and enjoy themselves with their teachers and classmates (literally). We will be revelling the Class Party in the next week as per the schedule given below. Children are, in their way, planning the menu among themselves, so, don't be surprised to see your calm and docile ward ask of you to make the most innovative dish for him / her to bring as lunch or snack.

Points to observe:

- *Classes will remain on schedule during the first half of the day so please send your child's bag and books with him / her.*
- *The child may bring a variety of food items to share and enjoy the occasion.*
