

# SANGHAMITRA SCHOOL

Happy  
Diwali

*Deepavali aayi kushiyon ki saath,*

*Lakshmi ji ki kripa, sabka Jeevan mein Prakash*

Class 3 began the Diwali celebrations with an Assembly presentation combined with songs, dances, skit and speeches. The program started with the charming Pradhyumn and confident Meha welcoming the audience to the celebrations.

The program started with teachers singing the Lakshmi Stotram to welcome the divine goddess to shower her blessings on mankind. It was time for Niroshitha and Kundana share the importance of Diwali.

Diwali a celebration of light comes from the word Deepa which means lamp and avail means row of lights. It symbolizes the victory of Lord Rama over Ravana. A time to get together with friends and remind us of the importance of light and knowledge in our lives.

Students also spoke about the distinct traditions and customs of Diwali .

Students performed a skit called Garib Ki Diwali where they promoted the cause of buying natural diyas made out of mud from street vendors. They spread the message of compassion and kindness. It was time for song from students. The audience enjoyed the medley and sung along.

The audience was enthralled with the dance that was performed by girls dressed in colourful costumes.

Diwali Ka Sandesh a skit by students highlighted the safety measures to be followed while we celebrate the festival. It is important to understand the hardship undergone by people who make the crackers and the harm it does to the environment.

A very good presentation by class 3, teachers and students. A video on the plight of people making crackers was also shown to the students in their classes. This was followed by a presentation by class 9 students on safe practices of Diwali.

Happy Diwali ! Diwali is a time spread happiness , positivity and festive cheer .
