**RAKSHA BHANDAN – A festival to celebrate the bond between brothers and sisters.**

To create awareness of the bond between brothers and sisters, Raksha Bandhan was celebrated in school. Class LKG to IV performed beautifully to a song glorifying the bond between brothers and sisters. The children dressed in their colorful best-applied tikka and tied Rakhi's to their brothers.

All the children celebrated in their classes by tying Rakhi's to one another. There was a lot of happiness and cheer in the classrooms.

Class X students celebrated in the Auditorium where the girls and boys wished each other and tied Rakhi's. They promised to care for one another.

The Rakhi that were distributed to the children were made by students at Shankar Foundation 's Sammardh Sakaar Center for Skill Development, an organization run for differently abled children. Students were also shown the video where they saw these students making the Rakhis. They were touched and valued the Rakhis.

Raksha Bhandan festivities continued, of showering blessings and receiving care and support with mam and teachers tying rakhis to the brothers - teachers, support staff and class ten students. Happy Raksha Bhandhan
