BULLYING

ASSEMBLY PRESENTATION

AUGUST 24th 2024

STAND UP AND SPEAK OUT

Awareness against bullying was created through an Assembly presentation by class VII students on Saturday, August 24th. Students discussed the need to keep the school filled with “happy places”. Our classrooms, washrooms, and school grounds must be happy and free from Bullying.

They created awareness of Bullying which can be

Physical Bullying: Verbal Bullying: Social Bullying: Cyber and Prejudicial Bullying.

They urged students to understand that bullying is an act of a coward and we need to muster up the courage to stand up and speak out.

School life is one of the beautiful phases of life where we need to learn to control our emotions. Acts of bullying like hitting, teasing, shouting, and spreading rumors only hurt people and they tend to withdraw and are frightened.

We must support one another, care and share be friends, and be empathetic so that each one of us becomes a confident individual. Being a buddy helps make the school a happy place. In case we are still being bullied it is important to reach out to the nearest adult and speak out.

Class 7 students presented a nukkad presentation and the students were very clear and confident. They were supported with actions and placards.

Students were urged to be **BUDDY AND NOT A BULLY.**
