Great things are not done by impulse, but by a series of small things brought together.

Dear Parent,

Thank you for attending our recent Parent-Teacher Meeting. We appreciate your taking the time to meet with the teachers me, and we hope that our conference was able to provide you with some valuable insight into your child's progress in school. We look forward to our continued partnership throughout the remainder of the school year. If you have any questions or concerns regarding your child or our classroom, please do not hesitate to contact.

Parent Teacher Meetings are the tools that help us grow and sustain relationships. It is an understatement when we indicate the healthy rapport we share with you all becomes obvious in such times. Because of the staggered timings, if you have felt that you have missed discussing about a particular issue, please feel free to write a note in the diary for an individual discussion with your child's teacher after 3:40 pm through the working days.

We shall look into all the suggestions and concerns and take the required measures.
