*Dear Parents and Students,*

I express my sincere gratitude to each one of you for attending the **Parent-Teacher Meeting**. It was a pleasure meeting with you to discuss your **child's progress, strengths, and areas of growth**. Your thoughtful feedback, questions, and suggestions provided us with a greater insight into how we can **work together** to support your child's **learning experience more effectively**.

This kind of open communication between home and school is fundamental in ensuring that each child receives the encouragement and guidance they need to succeed both academically and personally.

**Thank you once again for your dedication, time, and unwavering support.**

**Ms. Arundathi Secretary and Correspondent will personally address all the individual concerns, suggestions, and feedback raised.**

## CONCERNS

- The Detailed Assessments by Educational Initiatives is conducted to challenge students and assess their understanding, not rote memorization hence, worksheets are discouraged by EI before the exam.
- Cocurricular activities help students develop life skills and foster creativity, confidence and resilience which allows them to thrive both in school and in life
- Fogging is done for the entire school premises once a fortnight to help deal with mosquitoes.

## SUGGESTIONS

- CBSE proposes in the academic framework that one foreign language and two native languages must be included in the curriculum. Hence, we have chosen English Hindi, and Telugu.
- Cultural Day a cherished activity in the school calendar will not be held annually as it involves time constraints and financial limitations. We greatly appreciate your understanding and support in this matter.

## QUESTIONS

We plan to take students on Field trips as and when it is possible and appropriate. Details regarding the trips will be shared in advance.

## COMMUNICATION

The Sanghamitra Connect App is fully functional for all the classes. Parents are encouraged to get acquainted with the school happenings and motivate the students and their activities.
